Dear Mr President

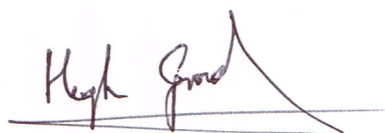

I write to acknowledge safe receipt of your donation in the amount of £800-00 which I was very pleased to receive today. The Motor Neurone Disease Association is most grateful for this generous gift and it will do much to help those living with the disease and their carers.

The MND Association directs its funds into two major areas; firstly the support of research into the disease and its management and secondly, patient care. The latter includes offering information, advice and support to people coping with the illness; in some circumstances the Association lends out to people with MND specialised equipment which is not otherwise available and may sometimes assist with financial help towards the costs of caring.

Our Association is delighted to accept this particularly handsome gift which, I understand, are the proceeds of a collection made at your Christmas lunch by your Weirdos Golf Society at Fortwilliam Golf Club in recognition of your circumstances for which this gift will be directed so that members of our Association may be both safer and more comfortable in their own homes where they may choose to remain under the auspices of our committee who will supervise the utilisation of these monies for which we are very grateful.

Thank you once again for your thoughtfulness and generosity.  
I enclose an official receipt for your records.

Yours sincerely

Hugh Groves  
Hon Treasurer.
