

FORTWILLIAM GOLF CLUB

Restaurant re-launch

Dear member,

To celebrate the reopening of the clubhouse restaurant this Friday we will be offering our popular Thursday steak night deal all weekend and every Thursday thereafter. We also have a new look menu which will change approximately every 2 weeks.

Some of your favourite dishes from our previous menu are still available on request. Unfortunately due to social distancing requirements set out by the golf governing body (GUI) only members and guests they invite to dine with them can access the clubhouse restaurant at this time.

Please view our new look menu attached.

Booking is preferable.

We appreciate your support and valued custom.

Regards
Downview Restaurant
